Discover what's on the map...be an UNDERCOVER MAPPER

**UNDERCOVER™
MAPPER**

Investigation #2

1 Let's get started! Go to the layers:

USA National Park Locations ✓ USA National Park Locations

2 Where are the National Parks?

hover
over
layer

click for menu

3 How many National Parks are in each state?

hover over same layer

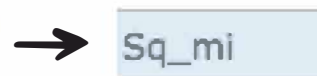

click here

State	
A-Z ↓	Sort Ascending ✓
Z-A ↓	Sort Descending

4 What is the biggest National Park? Smallest?

start in the same layer*

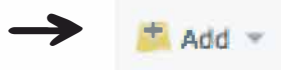

Σ Statistics

*There is so much to explore in this layer! Use the table.

5 Create a new National Park!

Modify Map

Add Map Notes

Name:

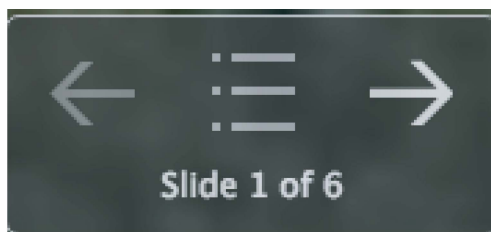

My New Map Note

CREATE

click and drag your
new National Park

6 Explore more fun on earth...

<https://arcg.is/q9Tfi>

REMEMBER:
Zoom in and
zoom out to find the
hidden treasures!

You've completed the next step to become an UNDERCOVER MAPPER™
